PROVEN EFFECTIVENESS

Director of Security
"Vizsafe has added a new level of productivity and efficiency to our security management as a powerful security and public safety force multiplier"

Deputy Chief
"We can also easily send reports from the mobile app with photos or videos to be reviewed in our Dispatch Center or directly to our command staff as needed. Having all of this information mapped and displayed in real-time has proven to be a great resource."
COO
"Vizsafe improves our situational awareness and enables us to address issues immediately and with the right resources"

Vizsafe has been demonstrated as a vital asset in reducing risk and imrpoving real-time communications for some the world's most valuable organizations

- law enforcement agencies
- public safety organizations
- sports and entertainment venues
- convention centers
- shopping malls
- universities
- utilities infrastructure
- smart cities
