Unlimited text applies only to SMS and MMS and not to other messaging services or applications like iMessage. **Calls to countries not included:** Calls from included Latin America countries to countries not included in this plan will get International Long Distance (ILD) charges. For a list of countries, go to att.com/elite2intl. Pay-per-use rates apply unless you add an ILD package to your device. Rates are subject to change without notice. For details, go to firstnet.com/intlcountries. **INTERNATIONAL:** Compatible smartphones only. Includes unlimited talk, text, and data in 210 destinations and on enabled flights on Select Airlines (destinations) listed at att.com/elite2intl. Destinations, airlines, coverage and speeds vary and are subject to change. Video Management feature applies to your international data usage if turned on. Details at att.com/VideoFeature. **Service restrictions:** Use on cruise ships not included. **Unlimited Talk, Text and Data:** Available in included destinations with no roaming charges. **Calls made to any countries other than the Pacific Territories, Canada, and Mexico while in the U.S. are not included.** Unlimited text applies to AT&T SMS and MMS only; other messaging apps excluded (including iMessage). **After 20GB of international data per bill cycle, speeds may be reduced to a maximum of 512Kbps for the rest of the bill cycle** (not applicable in the Pacific Territories, Canada, Mexico, or Roam Latin America countries). International Daily Pass and additional high-speed data is not available with this plan. **Pay-per-use rates:** Apply when traveling outside covered destinations and on cruise ships without an active cruise package. **Adding a cruise package to your line:** When using a Compatible Device on a Cellular Network on Select Ships, AT&T will automatically add a cruise package to your line and notify you by text message; you will have the option to opt-out at any time. The package remains until you remove it at att.com/myatt or by calling 800-574-7000. See [cruise-day-pass-for-first-responders-plan-details.pdf](http://att.com/cruise-day-pass-for-first-responders-plan-details.pdf). **Excessive Use/Abuse:** These international features are intended for roaming use by residents with a primary place of use in the DCA during periods of travel to included countries only. Predominantly using your rate plan in one or more of the included countries may result in this feature being removed from your line. **Incidental data usage:** Apps on your device use data even when you may not be aware. **FirstNet Tablet Add-On Plan: Plan Pricing:** \$43/month per line if no phone line. Phone line required for add-on pricing of \$20.99/month per line. Plan includes unlimited data, including mobile hotspot data. **DATA RESTRICTIONS:** May not be used with any device or equipment that is intended to, or is used to, establish a continuous, unattended connection to the networks used to provide FirstNet services, including, but not limited to, automatic data feeds, mobile video transmissions, and automated machine-to-machine connections. Mobile Hotspot use is limited to a maximum of 5 simultaneous devices; requires compatible device. **International Roaming:** Monthly plan prices do not apply to data usage while roaming. If roaming outside the DCA, the Pacific Territories, Canada or Mexico international data usage will be charged at pay-per-use rates, found at att.com/ppurates, unless an international data package is added. For available international options, go to firstnet.com/intlcountries. Not all devices may be eligible for international roaming service. **FirstNet Wearable Add-On Plan: Plan Pricing:** \$25/month if no phone line. Phone line required for add-on pricing of \$10.99/month per line. Includes unlimited data, talk, and text. **DATA RESTRICTIONS:** May not be used with any device or equipment that is intended to, or is used to, establish a continuous, unattended connection to the networks used to provide FirstNet services, including, but not limited to, automatic data feeds, mobile video transmissions, and automated machine-to-machine connections. Mobile Hotspot use is limited to a maximum of 5 simultaneous devices; requires compatible device. **International Roaming:** Monthly plan prices do not apply to data usage while roaming. If roaming outside the DCA, the Pacific Territories, Canada or Mexico international data usage will be charged at pay-per-use rates, found at att.com/ppurates, unless an international data package is added. For available international options, go to firstnet.com/intlcountries. Not all devices may be eligible for international roaming service. **FIRST PRIORITY®:** Feature provides prioritization of data, priority access to available network resources, and preemption capability. **Requirements:** You must have a qualified FirstNet Mobile plan and a compatible, FirstNet Capable device. First Priority® provides priority and preemption. Service is not intended to be used for unattended mobile video transmission applications. **Limitations:** First Priority is available only in the Domestic Coverage Area and for data traffic originated on and traversing over the AT&T domestic 4G LTE network and the 4G LTE networks of AT&T's domestic rural providers connected to the FirstNet Evolved Packet Core. **PREEMPTION CAPABILITY:** In conjunction with priority access, AT&T will remove or reassign active sessions from other lower priority users' use of the AT&T domestic wireless network and the networks of AT&T's domestic rural providers connected to the FirstNet Evolved Packet Core when network resources are scarce or occupied. Preemption capability is available as a standard feature of Primary Subscriber Paid Users' network profile and may be limited to Primary User. Available network resources may vary by circumstances and network demands. **Uplift Management:** Allows a Primary User Public Safety Entity to modify your relative priority and preemption capability for a period not to exceed 24 hours. Termination or Suspension: AT&T reserves the right to terminate, suspend or restrict the feature if your use is inconsistent with applicable terms and conditions, your qualified Primary User Public Safety Entity's agreement with AT&T for the FirstNet Solution (the "Qualified Agreement"), or your Consumer Service Agreement. **ADDITIONAL AT&T FEES and GOVERNMENT TAXES:** Monthly AT&T Fees apply per line and include Administrative/Regulatory Cost Recovery Fee, up to \$4.99 and other fees which are not government-required. Additional one-time AT&T fees may apply. Government taxes are extra. See att.com/mobilityfees for more details.
